

Article XII. Temporary Emergency Provisions

(as amended by the State Central Committee on April 18, 2020)

While Commonwealth of Virginia Executive Order Number 53 (2020), or any subsequent order extending its provisions, is in effect:

1. Official Committees may hold electronic meetings, such meetings to be conducted in accordance with, at the option of the Official Committee, either rules the Official Committee adopts itself or rules adopted by the Executive Committee of the State Central Committee.

2. The meeting notice requirement of Art. VII, Sec. B, para. 1 for meetings of the State Central Committee, shall be reduced to not less than one week.

3. An Official Committee may hold its Quadrennial Convention using the following alternative methods, which temporarily take precedence over contrary provisions in other Articles of the State Party Plan:

a. “Unassembled Convention”—in an unassembled convention:

i. The Official Committee, or a subcommittee of its members that it appoints, shall serve as the Committees on Credentials, Nominations, and Standing Rules. The Official Committee shall act on those reports on behalf of the Convention.

ii. Delegates may cast their ballots at one or more polling locations within or adjacent to the area represented by the Official Committee. Military Delegates may still participate as provided in Article VIII.

iii. For any office or nomination to be made by the convention, the Official Committee may provide for a) ranked choice voting and a majority winner, or b) for a plurality winner, or c) for a majority winner with multiple ballots, all without respect to whether the initial call included ranked choice voting.

iv. In a contest where it is necessary to determine the outcome, ties will be decided by drawing of lots.

b. “Bifurcated Convention”—In a bifurcated convention, the nomination of a candidate for U.S. House of Representatives will proceed as described in (a), after which the Convention will adjourn to a date, time, and location selected by the Official Committee to carry on the remaining business of the Convention

Provided that this Article shall expire on July 28, 2020.
