

Pat Dunnington

for

Alternate National Delegate

from the

1st Congressional District

Exceptional Leadership and Unwavering Commitment to the Re-Election of President Donald J. Trump

Pat Dunnington is the Immediate Past Chair of the Gloucester County Republican Committee (GCRC). Pat served four years as Chair, and three years as Vice Chair. She has led Gloucester's Delegations to 1st District and State conventions. Pat has managed local campaigns, festival events, fundraisers, served as Treasurer for multiple campaigns, serves as the GOP representative to the Gloucester County Electoral Board and organized Election Day Operations at every precinct. In 2016, Pat established the Gloucester GOP HQ office as a regional resource for the Trump campaign with tremendous success which she replicated in 2017, 2018, 2019 and will do again in 2020 for President Trump's re-election. Pat is an experienced and effective conservative leader in the Republican Party. She is a patriot committed to the principles of the Republican Creed and is a committed supporter and advocate for President Trump.

"As your Alternate National Delegate to the 2020 National Convention, I commit my vote to the nomination of President Donald J. Trump. I truly believe President Trump has been and will continue to be the right person to protect and defend our Constitution, while leading our country through these critical times.

***I ask for your vote at the June 13th 1st District Convention!
Your Vote will send to Charlotte, NC unflappable support for
OUR PRESIDENT – MY PRESIDENT – PRESIDENT TRUMP!"***

For God and Country

A former member of the career Federal Senior Executive Service (SES), Pat retired from NASA where she served as the NASA Chief Information Officer (CIO), among other responsibilities over her 27-year career with NASA. For her work achieving the E-Government goals of President Bush's Management Agenda, Pat received several awards including NASA medals for Exceptional Service, for Exceptional Achievement and the NASA Medal for Outstanding Leadership. After retiring from NASA, Pat founded Dunnington Consulting, advising IT corporations including IBM, Computer Sciences Corp., SAIC and others. Then in 2012, she volunteered to make phone calls for the GOP, and the rest is history.
