

Russ Wright, Alternate National Delegate First Congressional District

When I was asked to run as a Pro-Trump National Delegate, I said “Absolutely!”

Please join me in the following:

- Keeping America Great for our children
- Draining the Swamp for our posterity
- Supporting President Trump for America

As Republicans, we can all help the President by being steadfast in our faith, sticking to the Republican Creed, holding our elected officials accountable and getting involved with our Conservative Principles.

I humbly ask for your vote at the convention and to work together electing Republicans. More information and resources are on my State Central Website: russforscc.com
